

Dear Member:

The Red Cross family would like to welcome you as a new member of the foremost humanitarian organization in the Philippines, in services provided and number of people served.

The Philippine Red Cross brings timely, effective and compassionate humanitarian assistance to the most vulnerable without consideration of nationality, race, creed, gender, social status or political belief.

As a member of the International Red Cross/Red Crescent Movement, we advocate staunchly its Fundamental Principles and the International Humanitarian law.

We cooperate with other National Societies, government and other organizations engaged in humanitarian services and complement each other's competencies, thereby maximizing the delivery of assistance to the most vulnerable.

As provided in Section 4 of the PRC Charter, one of the purposes of the Philippine Red Cross is "to organize, in liaison with public authorities, emergency relief operations and other services to assist the sick and wounded of armed forces in time of war, in accordance with the spirit of and under the conditions prescribed by the Geneva Red Cross Convention."

We are mandated by law to act in matters of voluntary relief and of communication between the Filipinos and their Armed Forces, in time of peace and in time of war, and "to act in such matters between similar national societies of other governments and the Government and people and the Armed Forces of the Philippines."

Moreover, the PRC is mandated "to establish and maintain a system of national and international relief in time of peace and in time of armed conflict and apply the same in meeting the emergency needs" caused by natural or man-made disasters and to help alleviate human suffering due to such calamities.

Section 4 of PRC Chapter also states that we should "devise and promote such other services in time of peace and in time of armed conflict as may be found desirable in improving the health, safety and welfare of the Filipino people."

Lastly, we abide by the provisions of RA 10072 to make every citizen and/or resident of the Philippines a member of the Red Cross. We request you to go over this page to familiarize yourself with the necessary steps in order for you to avail your benefits.
